

IEEEES-9

9th International Exergy, Energy and Environment Symposium

14 – 17 May 2017

Bringing together researchers, scientists and engineers

CALL FOR PAPERS

Goals: The "9th International Exergy, Energy and Environment Symposium" (IEEEES-9), which is a multi-disciplinary international conference, will again provide an opportunity for researchers, scientists and engineers to present their recent advances and to discuss current problems, future needs and prospects in the area of Energy. The goal of this conference is to bring together researchers from all countries, disciplines and applications of energy, exergy and environment and to promote the exchange of new ideas and techniques in the energy conversion and conservation in order to reach a best "energetic efficiency". During this conference, many attentions will be given to the "Green transportation and sustainable mobility", especially for the new development of sustainable technologies for thermal comforts and green transportation vehicles. Furthermore, contributions about renewable and sustainable energy sources, strategy of energy production, carbon-free society and their complications will be important during this conference. This is the ninth symposium, which will be held in Split, Croatia (2017), after Izmir, Turkey (2003); Kos, Greece (2005); Evora, Portugal (2007); Sharjah, United Arab Emirates (2009); Luxor, Egypt (2011), Eurasia, Turkey (2013), Valenciennes, France (2015), and Antalya, Turkey (2016). Major topics and new trends will be introduced through several keynote lectures that will be presented by internationally recognized experts.

Format: The format of IEEEES-9 will be arranged with the following major elements as general papers presented in oral sessions, keynote papers by invited speakers, and panel discussions and specialized sessions on selected topics. There will also be exhibitions, social events and pre- and post-symposium tours. Authors are invited to submit their abstract(s), of approximately half a page length (about 250 words). The full paper(s) should be submitted in electronic format. Instructions for abstract and full paper preparations are available at symposium webpages. The papers accepted and presented at the IEEEES-9 will be published in a book of abstracts and USB, with ISBN.

High quality papers of archival value will be considered in extended form for publication in various reputable international journals:

International Journal of Energy Research (IF: 2.529), International Journal of Exergy (IF: 1.377), International Journal of Hydrogen Energy (IF 3.205), International Journal of Global Warming (IF: 1.286)

Conference chair: S. Nizetić, FESB, Croatia

Founding Chair: I. Dincer, UOIT, Canada

Honorary Chair: T. N. Veziroglu, IAHE, USA

International Advisory Committee:

A. Bejan, USA
A. Beyene, USA
A. Hepbasli, Turkey
A. Midilli, Turkey
A. M. Papadopoulos, Greece
A. F. Miguel, Portugal
A. H. Alami, UAE
A. H. Reis, Portugal
A. K. Yakut, Turkey
B. V. Reddy, Canada
C. Koroneos, Greece
E. Michaelides, USA
E. Sciubba, Italy
F. Aloui, France
F. Barbir, Croatia
F. Hamdullahpur, Canada

G. M. Tina, Italy
G. Tsatsaronis, Germany
G. F. Naterer, Canada
H. Kwak, Korea
H. Lund, Denmark
H. Peerhossaini, France
H. Yamaguchi, Japan
I. Dincer, Canada
I. Yildiz, Canada
J. Yan, Sweden
M. Feidt, France
M. A. Gadalla, UAE
M. A. Rosen, Canada
M. B. Pate, USA
N. Duic, Croatia
O. Arnas, USA

O. Kizilkan, Turkey
P. Grammelis, Greece
P. Lund, Finland
S. Obara, Japan
S. Nizetic, Croatia
S. A. Sherif, USA
T. Akiyama, Japan
T. H. Karakoc, Turkey
T. N. Veziroglu, USA
X. Li, Canada
X. R. Zhang, China
V. I. Ugursal, Canada
Y. Demirel, USA
Y. A. Cengel, Turkey
Y. Iwamoto, Japan
Z. Sen, Turkey

TECHNICAL CHAIR Petar Šolić, University of Split, Croatia

Conference topics: Main topics of the IEEEES-9 cover (not limited to) the following:

- Air-Conditioning Systems
- Combustion / Gasification
- Combustion Technology
- Desalination Technologies
- Energy Conservation & Analysis
- Energy Management in Industrial Sectors
- Entropy & Exergy Analyses
- Entropy Generation Minimization
- Exergy Accounting & Analysis
- Exergy, Energy and Environmental Modeling
- Exoeconomics and Thermoeconomics
- Fluid Mechanics, Heat and Mass Transfer
- Fossil Fuels (Coal, Oil and Natural Gas)
- Fuels & Alternatives
- Green Transportation Vehicles
- Hydrogen Generation and Technology
- Industrial Ecology
- Modeling of Energy Systems
- New and Clean Energy Technologies
- Process Engineering, Process Optimization and Bioengineering
- Refrigeration and Heat Pump Systems
- Renewable Energy
- Sectoral Energy and Exergy Utilization
- Sustainable and Green Buildings
- Sustainable Development
- Thermal Systems and Applications
- Thermodynamic Optimization
- Waste Exergy Emissions

ORGANIZING COMMITTEE MEMBERS

Agis M Papadopoulos, Aristotle University of Thessaloniki, Greece

Anica Trp, Univeristy of Rijeka, Croatia

Branko Klarin, University of Split, Croatia

Daniel Rolph Schneider, University of Zagreb, Croatia

Dario Bezmalinović, University of Split, Croatia

Duje Čoko, University of Split, Croatia

Gojmir Radica, University of Split, Croatia

Giussepe Marco Tina, University of Catania, Italy

Ibrahim Dincer, University of Ontario Institute of Technology, Canada

Igor Balen, University of Zagreb, Croatia

Ivan Tolj, University of Split, Croatia

Kristian Lenić, University of Rijeka, Croatia

Muslum Arici, Kocaeli Univeristy, Turkey

Neven Duić, University of Zagreb

Onder Kizilkan, Suleyman Demirel University, Turkey

Petar Šolić, University of Split, Croatia

Sandro Nizetić, University of Split, Croatia

Tea Žakula, University of Zagreb, Croatia

Toni Perković, Univeristy of Split, Croatia

Željka Milanović, University of Split, Croatia

WEB MASTER

Željka Milanović, University of Split, Croatia

Important dates

HALF-PAGE ABSTRACT DUE:
NOVEMBER 30, 2016

NOTIFICATION OF ACCEPTANCE:
DECEMBER 30, 2016

FULL MANUSCRIPT DUE:
FEBRUARY 15, 2017

FINAL NOTICE OF ACCEPTANCE:
MARCH 15, 2017

REGISTRATION FEES	Early registration (Until March 31, 2017)	Late Registration (After March 31, 2017)
Student delegate	250 EUR	300 EUR
Full delegate	350 EUR	400 EUR
Accompanying person	200 EUR	250 EUR
Industry delegate	400 EUR	450 EUR

Registration fee includes:

- Entrance for all oral and poster sessions,
- Conference materials (Congress bag, abstract book, proceedings, etc).
- Three day lunch and all coffee breaks
- Welcome Banquet & Gala dinner

Venue:

The IEEEES-9 will be held at:

**Faculty of Electrical Engineering, Mechanical Engineering and Naval Architecture (FESB), University of Split
Ruđera Boškovića 32
21000 Split, Croatia**
